RE: GTE COMMUNICATIONS CORPORATION TARIFF FILING

Dear Sir/Madam:

Enclosed for filing with the Commission are revisions to the GTE Communications Corporation Arizona C.C. Tariff No. 1. An original and ten copies, with an Issue Date of April 2, 1999, are enclosed. The purpose of this filing is to make textual revisions and restructure services. We request the revisions, noted on the check sheet, become effective May 3, 1999.

Also enclosed is an extra copy of the check sheet and a self-addressed stamped envelope for your use in returning a stamped "Receipt Copy" to the addressee.

Please refer any further inquiries about the filing to Nelda Cruson at 972/465-4495.

Thank you for your assistance.

Sincerely,

for 
Helen M. Hall
Director - Tariffs

PART II - LONG DISTANCE**SECTION 4 - APPLICATION OF RATES AND CHARGES (Continued)****4.2 Description of Services (Continued)****4.2.4 Business/Residence Line Toll Free Service**

This service is no longer available to new customers.

(M)

Business/Residence Line Toll Free Service provides for the termination of inbound toll free calls to one-party exchange access lines. The minimum service period for Business/Residence Line Toll Free Service is one day. Rates applicable to Business/Residence Line Toll Free traffic are set forth in Section 5.4 of this tariff.

(A) Toll Free Number Assignment

Toll Free Number Assignment provides for the assignment of a single ten digit toll free number (i.e. 800-XXX-XXXX). Service allows for, but does not require, Customer to use the number. The assigned toll free number will terminate to an exchange access line. Applicable rates for terminating Business/Residence Line Toll Free to an exchange access line are set forth in Section 5.4(A) of this tariff.

(B) Area of Service

Area of Service defines the geographic location from which the Toll Free Number Service Customer desires to accept calls for a given toll free number. An exchange access line is required for termination of Toll Free Number Service traffic. The desired Area of Service must be specified by Customer at the time Business/Residence Line Toll Free Service is ordered.

(C) Variable Call Destination

The Variable Call Destination feature provides for multiple terminations of Business/Residence Line Toll Free Service when Customer specifies an Area of Service. This allows for the assignment of one toll free number with termination to an exchange access line. Rates for Variable Call Destination record establishment and record changes are set forth in Section 5.4(C) of this tariff.

PART II - LONG DISTANCE**SECTION 4 - APPLICATION OF RATES AND CHARGES (Continued)****4.2 Description of Services (Continued)****4.2.4 Business/Residence Line Toll Free Service (Continued)****(E) Term Commitments**

- (1) The Customer will receive a lower per hour usage rate for one, two or three year Service Agreement. Customer must specify the Service Agreement at the time the Service is ordered. Customer may elect to renew a Service Agreement of the same or convert to a different length. Conversion to a new Service Agreement will not incur a penalty if the expiration date of the new Service Agreement is greater than the remainder of the original Service Agreement.
- (2) At the expiration of a Service Agreement, Carrier will continue to provide Business/Residence Line Toll Free Service at the month-to-month usage rates, unless Customer chooses to renew for the same Service Agreement, convert to a different Service Agreement, or discontinue Service. (S)
- (3) If Customer terminates prior to the expiration date of the Service Agreement, Customer's to-date usage (to a maximum of 12 will be re-rated at the month-to-month tariff rate, and the payments made to date will be deducted from the re-rated total. Customer's premature termination liability will be the difference between these two figures. (T)
